INLAND EMPIRE CHAPTER

10-11 a.m. Learn about fruiting vines, and how and why to make your own fruit cocktail tree.

11:45 a.m.-1:45 p.m. Scion Exchange
A scion is a cutting taken from a plant, usually during the dormant season. It can be used for grafting onto another plant, or be rooted to start a new plant. Hands-on grafting workshops available.

Public welcome. Free parking and admission. First selection priority to CRFG members, then scion donors, then public. Find information about collecting scions: <https://www.facebook.com/IECRFG/> and: <https://www.youtube.com/watch?v=ThpvzdPOAy4>
